EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Johnston on November 2, 2006.

The application has been amended as follows: In claim 23, line 1, --portable-- is inserted after "A". In claim 23, line 1, --for preventing use of a handle or the like,-- is inserted after "device". In claim 29, line 1, "slot" is replaced with --track--.

The following is an examiner's statement of reasons for allowance: The closest prior art reference to Shipman, is not regarded as teaching a portable lockout device for preventing use of a handle, or the like. It is further noted that a handle is not being positively claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
